VICAR'S MESSAGE

Dearly beloved in Christ,

Loving greetings in the precious name of our Lord and Saviour Jesus Christ. We are entering into another financial year of our Parish, 2022-23. In fact, we are entering into another year in our faith journey. Since we are God's children, we see everything in God's perspective and in the light of eternity. Great has been God's faithfulness over the years. God proved Himself as "Immanuel" "always, especially during the pandemic days. I lovingly commend our Kaisthana Samithi (2021-22), especially the office

bearers and also office bearers and committee members of the Parish organizations for their devoted efforts for the overall growth of our Parish in the previous year. All the members of the Parish family deserve appreciation for their love for the Parish and support in various activities. I am very happy to welcome the new office bearers and Kaisthana Samithi to accomplish great things for the Lord in 2022-23.

This is my last message in the "Immanuel Voice". We joined the Parish family on October 20, 2018. God willing, we will be returning to India on April 30, 2022. We believe that God has brought us to the Immanuel Parish family to praise His holy name and to witness our Heavenly Father. We bow the Almighty for enabling us to serve His children in the Parish with our diverse limitations. Life together with the Parish family members was a great source for our spiritual growth. We praise God for everyone who contributed immensely for our spiritual growth. We return to India with more spiritual vitality because of everybody's prayer, care and fellowship. We will always remember the innocent love of our dear children. Their affection always lifted us to a higher realm of life. May God make them great in all respects.

I very earnestly plead the parents to do whatever possible for the faith development of our children while they are with us in their young age. We must equip them to withstand the challenges ahead of them while they will be away from home for higher education and future career. Give them Jesus Christ. Encourage them to accept Jesus Christ as their Lord and Saviour. Let them experience the power of the Lord in their life in a world of stress and strain. Let them be victors, not victims in a turbulent world. Rev. Richard J. Foster has rightly said that the desperate need of today is not for a great number of intelligent people or gifted people, but spiritual people who have a longing after God.

April 3rd is 36th Sunday. Jesus accepted the heavy cross with love, faith and courage. Let us pray to God for divine strength to accept crosses of our lives in the spirit of Jesus. April 10th is Hosanna. The people who welcomed Jesus confessed their faith and trust in Him by the word "Hosanna". Every Hosanna celebration demands our faith confession modeling them. April 17 is Easter Sunday. Easter reminds us that we are redeemed by Jesus through His death and resurrection. As followers of Jesus Christ let us celebrate Christ's victory over death, share it together and enjoy His glory for ever. April 24th is New Sunday. We are called to love the living Lord dearly and to be His witnesses day by day.

May God Almighty strengthen us to proclaim our redeemer to everyone in the postmodern world so that all the world may accept Jesus Christ as their Lord and Saviour.

With Easter Blessings and prayers

C. K. Mathew Achen
